			<p>Which items are vegetarian, vegan, and/or gluten-free (if applicable to this order)? Please label or otherwise indicate on meal packaging.</p> <p>A list of ingredients for all items must be provided to HHF.</p> <p>Each container must be marked with the date of delivery.</p> <p>Marketing and communications:</p> <p>Photos with hospital staff may not be taken (you are welcome to take photos of your staff preparing food, etc.)</p> <p>If media coverage is planned, notify the HHF in advance. Media is not permitted on the HCGH campus without prior approval.</p> <p>The HHF has been raising funds to care for our front line caregivers during the COVID-19 response. Providing meals to those working the front lines at the hospital is our current priority – it is a way to show our gratitude for all they are doing while helping them maintain their nourishment and focus on their work. It is also a privilege to have the opportunity to provide needed business to some of our community's local restaurants during this time.</p> <p>Please help us to share this fundraiser in any marketing and communications related to providing meals to HCGH staff, so we can sustain this program and</p>
